DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel non-elected claim 14.

This application is in condition for allowance except for the presence of claim 14 directed to an invention non-elected without traverse. Accordingly, claim 14 has been cancelled.

Allowable Subject Matter

Claims 11-13 and 22-25 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 11-13 and 22, there is no teaching or suggestion in the art of record disclosing a semiconductor device comprising the combination of structural limitations of claim 11, wherein a gate insulating film is formed on at least part of the at

least one side surface of the island-shaped element region. Therefore, independent claim 11 is deemed allowable along with its dependent claims 12-13 and 22.

Regarding claims 23-25, there is no teaching or suggestion in the art of record disclosing a semiconductor device comprising the combination of structural limitations of claim 23, wherein a gate insulating film is formed on at least part of the at least one side surface of the island-shaped element region. Therefore, independent claim 23 is deemed allowable along with its dependent claims 24-25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas M. Menz whose telephone number is 571-272-1877. The examiner can normally be reached on M-F 8-5.
